The following items must be submitted prior to a building permit being issued.

1. Architectural drawings, foundation plan, floor plan, elevations and details as needed. plans are not returned until project completed)
2. Site plan showing building setbacks.
3. Sewer Impact fee paid (if applicable),
4. Floodzone no-rise/no impact certification/elevation certificate (if applicable).
5. A plan review fee of \$100.00 is required for all multi-family and commercial construction.
6. Business License
7. General Libality Insurance

The City Of Satsuma has adopted the 2009 International Residential Building Code and the 2005 National Electrical Code. It is the responsibility of the owner/contractor to build in compliance with these codes.
